Site Rental Guide 2025

About Our Organization and Services

Thanks for your interest in Queens Farm! Queens County Farm Museum is a 47-acre landmark working farm in New York City that dates back to 1697. This site was saved from development in 1973, thus preserving a living example of Queens County's agrarian history for generations to come. Today, our fields are more productive than ever – our farmers use organic growing methods to grow a wide variety of flowers, vegetables, and fruits for market. We also raise a variety of livestock, with an emphasis on heritage breeds. Our commitment to cultivating healthy food and beautiful space is just as important as our commitment to providing you with the highest quality service for your event.

Queens Farm offers several site rental options; from small weddings to large corporate events, we have a variety of locations to suit your specific needs. Whether in our Barn, North Lawn, Pavilion, or Orchard space, you and your guests will be surrounded by the bucolic scenery of our farm without ever leaving the city.

We offer ample time for set up so you can achieve the vision you had planned for on your big day. On weekends, you are invited to set up from 10:00 am onward. Monday through Friday, private event set up is allowed from 1:30 pm onward. We offer a private space either as a gathering/getting ready area for your wedding party or VIP room.

Our friendly private event staff will ensure that your event runs smoothly from start to finish. They will guide your guests to parking, tidy up the restrooms throughout your event, and dispose of garbage. Our staff strives to offer a well-maintained space for you and your guests.

To further enhance your experience, we offer tractor-drawn hayrides and animal feeding for you and all of your guests to enjoy. Please read on for details!

If you would like to inquire about an event, please email or call us. We're available to answer questions Monday through Friday, 9:00 am – 5:00 pm. | hello@queensfarm.org | emily@queensfarm.org | (718) 347-3276 x 116
